Abiola Fahad Ogunnaike

Junior Full Stack Web Developer

PROFESSIONAL SUMMARY

Junior Full Stack Web Developer with a B.Sc. in Computer Science and practical experience building dynamic, responsive, and SEO-friendly web applications. Skilled in both front-end and back-end technologies, with a strong passion for clean code, user-focused design, and innovative digital solutions. Proficient in HTML, CSS, JavaScript, PHP, and MySQL. Experienced with Git & GitHub, and having a value for modern dev workflows. Enthusiastic about leveraging AI and open-source tools to solve real-world problems.

TECHNICAL SKILLS

- **Frontend** - HTML5, CSS3, JavaScript, React.js, Bootstrap, SASS
- **Backend** - PHP, Laravel, MySQL
- **Version Control** - Git, GitHub
- **Tech Tools** - VS Code, Canva (UI mockups), Figma (basic), Postman (API testing)
- **Productivity Tools** - Microsoft Office Suite (Word, Excel, PowerPoint, Outlook) and Google Workspace (Docs, Sheets, Gmail) for documentation, reporting, and task management
- **Other** - Prompt Engineering, Copywriting, Product Content Writing, SEO Basics, CMS (Wix, WordPress)

PROJECTS

HostelCompass [↗](#)

A real estate web app for off-campus student hostel listings.

LANGUAGES

English - Fluent

Yoruba - Native

- My final year project during my BSc. program in the university.
- Built the platform using HTML, CSS, JavaScript, and PHP with MySQL backend.
- Integrated search filters and structured property listings.
- Deployed MVP using InfinityFree, targeting students in Nigerian institutions.

Simple CBT App (CSC 320 Software Lab) [↗](#)

- Developed a browser-based multiple-choice testing platform.
- Implemented with HTML, CSS, JavaScript (frontend version), and expanded to full stack with PHP and MySQL (3 versions).
- Integrated login system, question validation, and score tracking.

Dynamic Login System [↗](#)

- Created a secure login system with backend validation and error handling using PHP & MySQL.
- Includes user authentication and session management.

CERTIFICATIONS

- [Technical Support Fundamental] - [Coursera | Google] [↗](#)
- [Operating Systems and You: Becoming a Power User] - [Coursera | Google] [↗](#)
- [Introduction to Cyber security] - [NetAcad | Cisco] [↗](#)
- [Copy and Content Writing Certification] - [Institute of Copywriting]
- [ALX AiCE - AI Career Essentials] - [ALX] [↗](#)

PROFESSIONAL EXPERIENCE

IT Support & Web Content Manager

Hybrid

Global Ultimate Connections, Lagos (NYSC) [↗](#)

May 2024 - Apr 2025

- Managed and updated web content and blog containing text and graphics using HTML and CMS tools.
- Ensured company website is SEO Optimized.
- Provided IT support while also maintaining the company website.
- Enhanced workflows using technical skills and AI tools.

Computer Science Intern (SIWES)

On-site

Federal University Oye-Ekiti [↗](#)

Sept 2021 - Oct 2021

- Designed a static login page, then made it a dynamic login system with backend and error handling.
- Observed network security measures and maintenance
- Assessed, troubleshooted, and repaired faulty desktop systems in the university ICT center.
